# XBYTE TERA SOLUTIONS PVT LTD – XTS INDIA

## Our Story

Founded in 2022, Xbyte Tera Solutions (XTS INDIA) is a Kerala-rooted, globally oriented training & consulting company. We've grown from a small team into a multi-disciplinary academy with a clear strength in Commerce practical programs in accounting, finance, IT and business operations that build real workplace confidence. We also pioneered India's first Executive Assistant & Chief-of-Staff finishing-school tracks. Every program is mentored, project-based, and ethics-driven so learners step out confident, capable, and job-ready.

## Welcome to XTS INDIA Academy

Evolving from ICPA (INSTITUTE OF COMPUTERISED PROFESSIONAL ACCOUNTING) (est. 2013), XTS INDIA is a leading institution offering industry-aligned training in Accounting, Finance, IT, and Management. Our mission is to build ethical, work-ready professionals through a balanced curriculum, expert faculty, and modern labs. Each program blends theory with hands-on practice, tool labs, case-work, and live project supported by mentoring, career labs, and placement assistance. We focus on practical skills, professional communication, and the confidence to perform from day one..

## VISION

Build sustainable human capital that creates value today and tomorrow.

## MISSION

We equip ambitious learners with leverage, clear thinking, practical tools, and proof-of-work to ship real results. Through focused training, mentorship, and portfolio-building, we help people learn fast, work smart, and earn trust so they grow into valuable teammates, independent contributors, and future leaders.

## PRODUCTS AND SERVICES

We deliver comprehensive training across Accounts, Finance, Management, and IT, purpose-built to develop practical, employer-valued capabilities. Programs emphasize core concepts, applied problem-solving, digital fluency, and workplace professionalism and business communication. Learners practice on real scenarios, build portfolios, and demonstrate proof-of-work. We also provide mentoring, career counselling, interview preparation, and placement support to ensure a smooth transition from classroom to workplace.

## Why XTS Candidates Stand Out From Others

“INDUSTRY-READY FROM DAY ONE. XTS IS THE SPRINGBOARD FROM FIRST JOB TO REAL CAREER”

XTS PROGRAMS ARE DESIGNED WITH EMPLOYERS IN MIND: MODERN, AI-INTEGRATED COURSEWORK; HANDS-ON TOOL FLUENCY AND REAL EXECUTION THROUGH SIMULATIONS, PORTFOLIOS, AND INTERNSHIPS. OUR LEARNERS PRACTICE HOW WORK ACTUALLY HAPPENS, CLARIFYING PROBLEMS, COMMUNICATING WITH IMPACT, PREPARING MANAGEMENT REPORTS, BUILDING DASHBOARDS, PROCESSING DOCUMENTS AND BASIC ACCOUNTS, AND RUNNING PROJECTS TO CLOSURE. THEY GRADUATE WITH MEASURABLE OUTCOMES (CAPSTONES, CASE WRITE-UPS, STAKEHOLDER DECKS), PROFESSIONAL HABITS (CADENCE, OWNERSHIP, CONFIDENTIALITY), AND THE CONFIDENCE TO CONTRIBUTE FROM WEEK ONE, ACROSS MANAGEMENT, ANALYTICS, FINANCE, ACCOUNTING, AND OPERATIONS. WITH MENTORING, INTERVIEW PREP, AND HIRING-PARTNER ACCESS, XTS IS THE SPRINGBOARD FROM FIRST ROLE TO FASTER PROMOTIONS.

# From Learning to success

“As a B.Com grad, XTS India turned my theory into action. The mock projects and mentoring boosted my confidence and I landed my first role in record time.” — Jasna (Commerce)

“From GST to Tally and real-life case files, the accounting labs made me industry-ready. I now speak to clients with clarity and confidence.” — Akhil, (Accounting)

“The EA/Chief-of-Staff track trained me to prioritize, negotiate, and execute. My personality transformed from hesitant to dependable.” — Muhammad Favas (Executive Assistance)

“Financial modeling, dashboards, and interview drills—XTS sharpened my FP&A skills and my presence. I walk into meetings prepared and poised.” — Muhammad Nabeel (Finance)

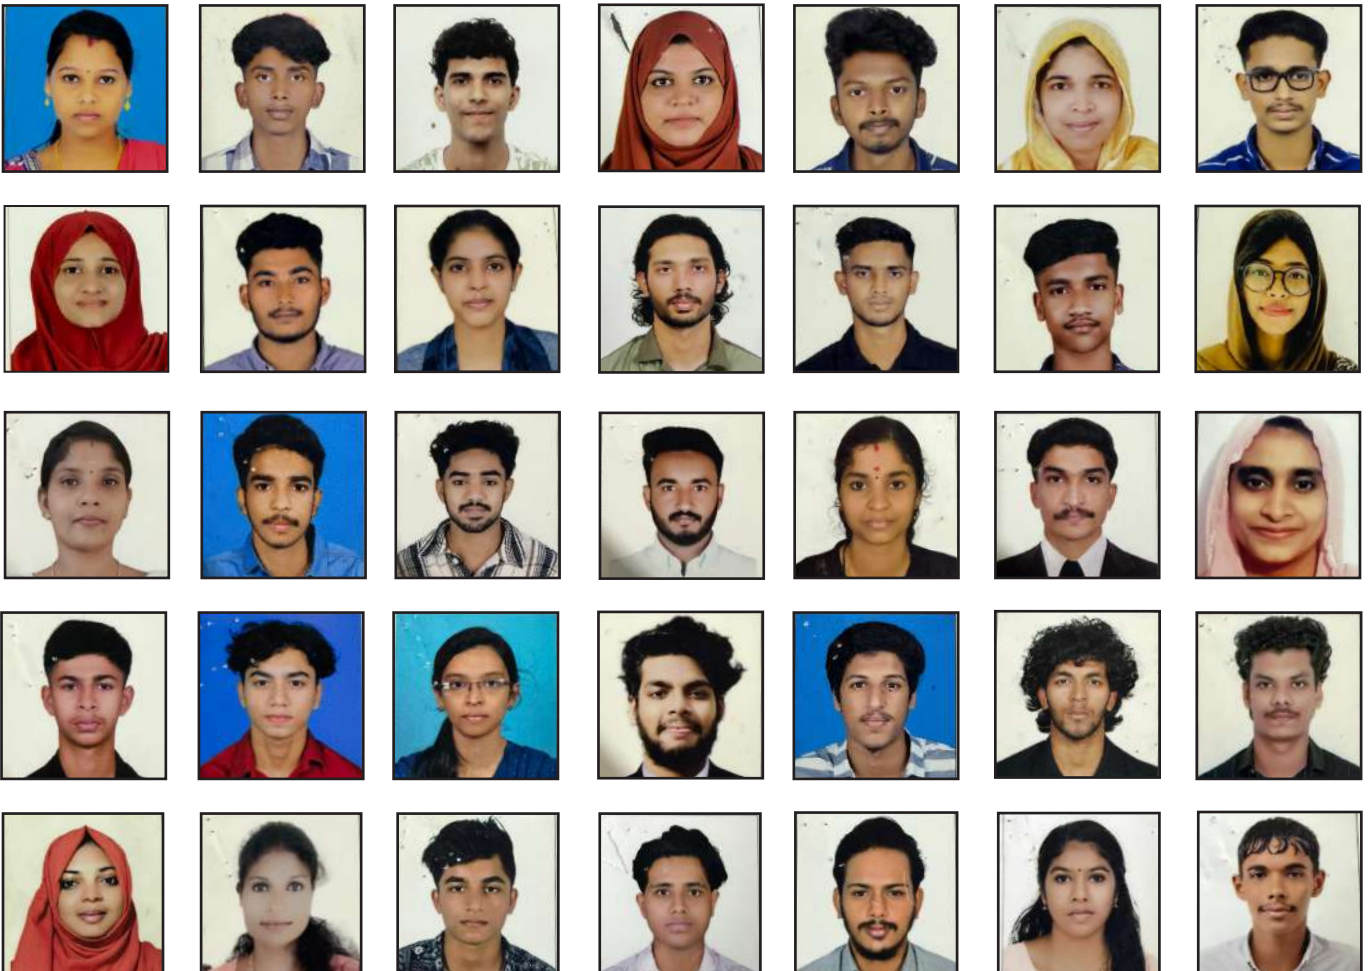

“The management simulations taught me structured thinking and crisp communication. I went from shy to boardroom-ready in three months.” — Muhammad Shamil, (Management)

“SAP process walkthroughs and cross-functional projects showed me the bigger business picture. I’m not just skilled—I’m employable and future-ready.” — Adrisya (ERP& Operations)

“Power BI, Excel automation, and SQL gave me a solid tech backbone. More importantly, XTS helped me present insights with confidence.” Muhammad Ajmal, (Data & IT)

“Taxation once felt intimidating—till XTS broke it into practical workflows. Now I solve compliance issues calmly and lead conversations.” Ashif, (Taxation & Compliance)

“XTS turned my B.Com concepts into market-ready skills, pricing labs, retail case studies, and presentation practice. I now pitch with confidence and back it with numbers.” — Muhammad Shabeerali (Commerce)
